

Q&A

ABOUT THE ESSENTIALS OF LANGUAGE COACHING COURSE

When is the training offered?

The course is available upon request.

It may be taken as a one-on-one tutorial or as a group.

How much time is needed weekly to complete assignments?

Most coaches need 4-6 hours per week to complete assignments.

Who facilitates the course?

Acquire's co-founders Andrea Warren and Carol Lewis facilitate the course and oversee coaches.

Who should apply for the course?

The training is for **new and experienced** language coaches who:

- Have at least 2-3 years of language learning experience overseas
- Are self-directed learners: willing to try new things and seek out and receive advice from others
- Want to help language learners succeed!

How will coaches benefit from the course?

Coaches will learn how to:

- Develop their role within their agency
- Identify, diagnose and address common language learner issues
- Help learners manage common emotional struggles
- Help learners become more self-directed
- Prepare for and carry out coaching sessions that encourage and empower learners

What's the cost?

Cost is \$900 per person, inclusive.

Does Acquire offer training for more experienced coaches?

Yes! Advanced coach training is offered upon request. The training is designed to address a coach's specific needs and availability. Contact Acquire for more information.
